# A WORD FROM THE EXECUTIVE SECRETARY

## JEFF EBERT

Hello Cheviot Enthusiasts,

It is shaping up to be a great year for those of us in the sheep industry. Lamb prices are at record highs. Cull ewe prices are at levels never seen before. The early breeding sheep and club lamb sales have been very strong. All of this in spite of high fuel, feed and fertilizer prices.

Are you prepared to take advantage of the current economic climate? What are the goals for your Cheviot flock? Whether you are in the business to produce sale and show sheep or to furnish lambs to the ethnic market or to sell market weight lambs you need to constantly evaluate where your flock is currently and where you want it to be headed in the future.

One of the great advantages of sheep and more specifically Cheviots is they can fill so many of the niche markets within our industry so very well. We have a very diverse industry from the small hobby farmer to the large commercial operation and a whole host of differences in between. I have had two people contact me recently wanting to know where they could find a few hundred head of Cheviot ewes for a commercial operation. Interest in the sheep industry is rebounding as we are seeing new memberships coming in for a cross section of breeds that we serve through Associated Registry.

Where do Cheviots and your flock fit into this potential growth cycle of the US sheep industry? Are you in a position to provide breeding stock to that new flock owner that is looking for a small flock of sheep? Why not Cheviots? Why not your Cheviots? I challenge each of you to help at least one new person to get started with a Cheviot flock in 2022. Seize the moment and let's grow our breed in 2022 and the years beyond!

A handwritten signature of Jeff Ebert in black ink. The signature is stylized and cursive, matching the printed name below it.

Jeff Ebert  
ACSS Executive Secretary

# A WORD FROM THE PRESIDENT

## DAN SPILDE

Greetings to all fellow Cheviot Breeders,

Another lambing season is coming to a close for most of us. I hope it went well for all of you. As spring appears to be coming in Wisconsin, we will close in on summer before we know it. One of the big topics for us this year is the change in location and venue for our national sale. For those who were unaware, The Illinois State Fairgrounds in Springfield was booked for the week we intended to have the national sale. This was due to changes that happened with another group because of Covid. After much coordination with the Oxford board of directors, it was determined that our best option was to use the facilities in Joliet, Illinois and keep it the same weekend we planned. We think this will be a nice facility and hope that it will work well for our national sales.

We will again offer Tunis and Montadale breeders the opportunity to consign with their respective breeds at this year's sale in conjunction with the National Cheviot and National Oxford Sales. Please spread the word and encourage consignors in those breeds to attend as it will make the entire event stronger. We have been told that the sale will be able to get back to the Springfield location after this year.

If you have not attended our national sale before or if it has been several years since you've been there, I would highly recommend you join us in Joliet June 10-11. It is a great opportunity to meet other sheep breeders, exchange ideas, and stay up-to-date on successful breeding programs. The last couple of years have been challenging because of the battle with Covid and its restrictions. However, we expect a great crowd and good numbers at this year's sale.

I just returned home from the Ohio Dorset Sale. Numbers, quality, crowd size, and enthusiasm were all high. Not surprisingly, prices were also very strong. Typically that sale sets the pace for the rest of the sheep sales throughout the summer. So get your entries in early, select your top stock for consignment, and plan to find your next breed building pieces at the sale. Let's make this one of the greatest sales in our breeds history. Best wishes to you all and I look forward to seeing you this summer!

Respectfully,

Dan Spilde

## UPDATED INFORMATION WANTED

The American Cheviot Sheep Society emails a periodic newsletter about events and Cheviot happenings. If you would like to be included on this email list please notify the association office at [ebertsheepfarm@gmail.com](mailto:ebertsheepfarm@gmail.com). This will allow the information to get to you, the members, much quicker. Also, if you have corrections to your address or phone number or want to add your cell phone to your breeder listing, please notify the office of that as well. The mailing list is an ever changing list so please do all you can to keep the Association office of any changes in your contact information.

The association is always looking for good farm scene pictures of Cheviots, so if you get a chance take some pictures and send them by email or disk to the association office. Your help in these matters is much appreciated.

# BYLAWS OF THE AMERICAN

## Revised PREAMBLE

Fully recognizing the importance to all interests in the culture of Cheviot Sheep and of having a reliable record which shall be accepted as the "Final Authority" in question of pedigree and desiring to unite the experience and interest of all in guarding and perpetuating the purity of their flocks, we unite in organizing this Society.

November 1996

## BYLAWS

**Art. 1. Name**—The name of this society shall be American Cheviot Sheep Society.

Said Society is incorporated under the laws of the State of New York as a membership organization.

**Art. 2. Object**—The object of this Society is: to guard and maintain the purity and encourage the breeding of Cheviot Sheep; to keep and maintain a registry for the registration of purebred Cheviot Sheep; to issue certificates of registration and transfer of same; and to do all things which may be requisite and proper in and about the carrying out the purpose and objects for which this incorporation is formed.

**Art. 3. Members**—a. All living Stockholders in good living standing, of the dissolved American Cheviot Sheep Society, Inc., constitute the membership in the American Cheviot Sheep Society Incorporated this 9th day of October, 1924, in the State of New York.

b. All persons interested in Cheviot Sheep who are of good moral character may become members of this Society and approved by the Board of Directors upon payment of membership fee of ten dollars.

**Art. 4.** The Secretary shall present the name of every applicant (with his references) for Membership to the Board of Directors and to request their ballots for or against such application—one objecting vote of the Board of Directors shall withhold such application for membership, until the next annual meeting when a two-thirds vote is required.

**Art. 5.** After acceptance by the Board of Directors, the Secretary will be empowered to issue a membership certificate duly signed by the President and Secretary.

This membership is non-transferable, is entitled to one vote and ceases with the death of the holder.

**Art. 6. Officers**—The officers of the Society (who shall also serve as the officers of the Board) shall be President, a First Vice-President, and a Second Vice-President to be elected from the Board of Directors by the members of the Board at their Annual Meeting. The Secretary and treasurer shall be appointed by the Board of Directors. Five Directors shall constitute a quorum. At the death, resignation or disability of the President, his duties will be assumed successively by the First Vice-President and the Second Vice-President; at the death or resignation or disability of any other officer or director, his or her place shall be filled by the officers of the Board until the next Annual Meeting of the Board.

There shall be eleven Directors. The term of each Director shall be three years, and the terms of four Directors shall expire at the Annual Meeting each year after this year in which this amendment is passed, except every third year when the terms of three Directors shall expire. The term of the President and the Vice-Presidents shall be one year.

The Board of Directors shall divide the United States into three districts. Not less than two directors shall be elected from each district plus five at large.

The Eastern district shall contain the states lying east of Ohio, Kentucky, Tennessee and Alabama.

The Central district shall contain the states lying between the Eastern district and the Mississippi River.

The Western district shall contain the states west of the Mississippi River.

**Art. 7. Duties of Officers**—The duties of the officers and the Board of Directors shall be such as usually pertain to such offices in the usual transaction of business.

The President will appoint a three member financial review panel annually to review the Association's business transactions prior to the Annual Meeting.

The Panel will consist of two directors and one at-large association member. The panel will report to the President the findings of the said review.

The President will convey the findings to the Association members at the Annual Meeting.

**Art. 8.** The Secretary and Treasurer shall give a bond at the discretion of the Board of Directors continued for the faithful performance of his duties.

He shall receive such compensation for his services as the Board of Directors deems just.

**Art. 9. Meetings**—An Annual Meeting of this Society shall be held at a date and place agreed upon by the Board of Directors. The membership shall be given a thirty day notice of the time and place selected. At this meeting, at which time the directors of the Society shall be elected by a majority of the members present. No voting by proxy. Five members to constitute a quorum.

# CHEVIOT SHEEP SOCIETY

**Art. 10.** Amendments—These Bylaws may be amended by a majority vote of the members voting at any regular meeting. Notice of the proposed amendments having been previously give to each member. No voting by proxy.

**Seal**—The Seal of this Society shall be a circle with the words American Cheviot Sheep Society with an inserted cut of a Cheviot Sheep's head.

**Art. 11.** A member charged with willful misrepresentation in regard to any animal owned or bred by him, or with any dishonorable conduct, if such charge be fully sustained, the Board of Directors may suspend him until the next Annual Meeting when a full hearing of the evidence, such as offending member may be expelled by a two-thirds vote of the members voting.

**Art. 12.** A registry of Purebred Cheviot Sheep shall be established and kept by the Secretary subject to such rules and regulations as may from time to time be adopted by the Society.

## RULES OF ENTRY

**Rule 1.** Sheep imported from England or Scotland, whose breeding will permit their registration in the British Flock Book, shall be entitled to registration upon satisfactory evidence being furnished by the Secretary of their purity. The following statement must be filed with the Secretary concerning imported sheep, 1. Name of animal to be recorded. 2. Date of birth. 3. Sex. 4. Number and initial on the ear label or tattoo. 5. Date of importation. 6. Name of vessel or port of entry. 7. Names of breeder, importer, and owner with the address of each; blanks must be signed by the importer. Usually satisfactory evidence is given in the form of a letter from the British Secretary vouching for the flock from which the importation is made.

The American Cheviot Sheep Society has a working agreement with the Canadian National Livestock Records that Canadian sheep, registered or eligible to registry (coming into the United States from Canada) will be accepted for our records and re-registered in the American Cheviot Sheep Society at regular registration rates.

**Rule 2.** The progeny of sheep as indicated above shall be entitled to registration.

**Rule 3.** The Direct descendants of sheep registered in the American Cheviot Sheep Society shall be entitled to registration.

**Rule 4.** If subsequently proven that any animal has been admitted improperly, the facts of the case shall be recorded; the animal disbarred and no progeny tracing to such animal shall be thereafter admitted.

**Rule 5.** All sheep for which application is made for registry must be labeled with an ear tag or tattoo bearing the breeder's applicant's name or initials thereon and no numbers shall be duplicated. Should any sheep be labeled with another breeder's label it shall not be changed. If a label is lost it must be promptly replaced with a duplicate of the original.

**Rule 6.** Blank application forms and breeding certificates will be furnished by the Society, but not private ear labels.

**Rule 7.** The fee for registration shall be \$6.00 for each animal under one year of age, or \$8.00 for each animal over one year of age. The fees to be paid by non-members shall be doubled these amounts. For the purposes for this rule, an animal shall be considered to become one year old on the first day of February of the year following the year in which it was born.

**Rule 8.** Animals when approved will have "Record" numbers assigned them and certificates of registry will be forwarded to the owner.

**Rule 9.** Transfers are to be made out in full and paid for by the seller. Transfer fees shall be \$6.00 per head, said transfers to be filed with the Secretary within three months from the date of delivery, where such transfers are neglected beyond three months, fees shall be \$10.00.

**Rule 10.** In case an ewe is bred to a ram not owned by the owner of the ewe, a certificate, signed by the owner of the ram, must accompany application for registry. Blanks will be furnished by the Society.

**Rule 11.** Transfers must be filled in and signed with pen by owner or agent making sale.

Transfer of ownership shall not be considered recorded unless it shows the signature of the Secretary or this Society. No information pertaining to pedigrees or transfers of any sheep will be given to any person or agency other than to a member of the A.C.S.S. who owns or has owned one or more sheep involved in such pedigrees or transfers except when required to do so by a court order of the executive committee.

**Rule 12.** Certified 4-H and FFA members are accorded the privilege of membership rates in transactions with the Society office and are not required to pay the Annual Service Fee.

**Rule 13.** An annual service fee of \$10.00 shall be charged all members and non-members doing business with the National Office effective January 1, 2002.

# GENERAL INFORMATION

The modern Cheviot breed has been produced by selection rather than by crossing. It is a pure breed, one of a very few in this country. Because of this purity, when the Cheviot ram is mated with crossbred ewes of other breeds, he stamps an unmistakable Cheviotness on his offspring, importing to them a large measure of the superiority of which Cheviots are known.

## **Distinctive Appearance**

The modern American Cheviot is primarily a mutton sheep. As sheep weights go, it is definitely one of the smaller breeds but one of the most distinctive in appearance. Much of its distinctive appearance is due to the high carriage of the head and the quick, coordinated stride. The head is carried high, and the ears are carried together, erect and forward. There is no wool on the head or face in front of the ears, nor is there wool below the knees and the hocks. The head, legs, and ears are covered with very fine white hair. Their bare heads, attractive white color and absence of horns give them a very aristocratic bearing. Nostrils and hooves should be black in color. Rams in good condition mature at 160 to 200 lbs., ewes from 130 to 170 lbs.

## **Extreme Hardiness**

The breed is also recommended for its extreme hardiness. This is one of the breed's strongest characteristics. For generations raised on the Cheviot Hills, rarely seeing the inside of a shed or barn, summer or winter, Cheviots have, from force of circumstances, developed into the hardiest of the medium-wool breeds. The newborn lambs are strong, vigorous and alert and are born with a will to live. Their unusual vitality and hardiness makes them easy to raise, and with reasonable care, losses are insignificant.

## **Production Plus**

Cheviot ewes are a delight for the shepherd. They bear their lambs easily, have a high number of twins, and produce plenty of milk to support them. Production records, year after year, show that their twins grow as fast as single lambs. Both the lambs and their mothers are good foragers and thrifty efficient feeders. Their grazing pattern is unlike that of other sheep. Instead of grouping together in a frontal assault on a single area, they tend to spread out over an area and get all the available feed. As rustlers, they have few equals. If there is vegetation to be found—above or beneath the snows—browse, grass, heather, or weed—they will find it.

## **Desirable Carcasses**

The modern Cheviot has a compact body with a straight smooth back with covers a rack of well-filled, meaty chops and a broad loin of superior quality. The leg is full, round and plump. One of the outstanding merits of these choice

cuts, the Cheviot has a reputation as a meat producer. These plump, meaty cuts, their pink flesh delicately trimmed with just enough fat to make them juicy and tender, are the housewife's choice because with them she can serve her family a tasty meal with minimum waste. Because they are housewife's choice, Cheviots are the choice of the butcher, and therefore bring a better price at the market. The Cheviot is prized by the meat packers for the very practical reason that the packer gets more pounds of lamb which he buys "on the hoof." Cheviot rams are excellent sires in crossbred market lamb production programs. Ewes built to deliver larger-headed lambs find the Cheviot-sired lambs, with their small heads, very easy to deliver, so that much less attention is required at lambing time. These lambs are so vigorous, strong, and hardy at birth that losses are kept at a minimum, and a higher percentage of the lambs are raised to marketing age. Successful producers of commercial lambs know their success depends upon their ability to produce the kind of lamb carcasses which the market demands, at the lowest labor and feed cost. Cheviot ram aid these commercial producers in producing the type of lambs desired by the market.

## **Fine Fleeces**

Cheviots produce generous fleeces of white wool which is preferred by mills because its fineness, crimp, and length of staple give it superior spinning and combing qualities, and its low grease content causes less shrinkage in scouring. The fleece is usually grades 1/4 to 3/8 blood combing and is usually from four to five inches in length. Rams will normally shear 9 to 13 lbs., and the ewe will produce fleeces of 8 to 10 lbs.

## **All Things Considered**

Though Cheviots may come in smaller packages, they contain for the sheepman a surprising combination of highly desirable qualities. They are noted for hardiness, longevity, productiveness, milking, and mothering ability and for their great activity. They are high in quality and hang a presentable carcass that has a minimum of outside fat for the amount of carcass lean produced. They utilize rough, low producing hill country very profitably with relatively little assistance from man and even less from the elements. Where there is a really tough clean-up job to be done to convert waste land into dollars, more and more sheepmen are discovering that "Cheviots can take it." In comparing Cheviots with other breeds, let the comparison be made on a basis of pounds of dressed lamb and clean wool produced per acre, and consider all of the costs of this production, including the year-round cost of feeding the ewe, and the time and attention required at lambing and shearing time.

# American Cheviot Sheep Society

# CHEVIOT BREED STANDARDS

*Border Cheviots are a small-framed breed of sheep known for their vigor, mother ability, muscle and ease of fleshing. Along with their size, the head is another unique characteristic of the Border Cheviot.*

## **I. GENERAL APPEARANCE 25 POINTS**

A. APPEARANCE: Alert, active stylish and symmetrical, standing on moderate leg length. The overall body exhibits balance.

B. SIZE: The preferred Cheviot is proportional in height and length equal to or exceeding the height of the animal. The average Cheviot ram should weight approximately 200 pounds at maturity. The average Cheviot ewe should weigh approximately 150 pounds at maturity.

## **II. BREED TYPE 25 POINTS**

The beauty of the Cheviot head is one of the breed's distinguishing features. The Cheviot style, alertness and contrasting colors set the breed apart from others.

A. HEAD: Medium in length and broad, with ample width between the eyes. Straight with little arch between the eyes and nostrils; more strongly arched in rams.

1. EARS: Medium in length, sharply erect, of medium thickness, and placed on top of the head. The circumference of the ears should five a curved appearance, rather than flat and open. From a side view, the ears should be pointed slightly forward.

2. EYES: Large, round, clear and alert, with black pigmentation around the rim of the eye.

3. NOSE: Broad muzzled, with large nostrils forming a black "T" at the end of the nose.

4. MOUTH: Black lipped with a strong deep jaw.

B. HAIR COVERING: Head, ears, and legs well covered with fine, short, white hair. Black spots are acceptable on the ears and poll. Black spots on any other part of the body are objectionable. Brown hair on any part of the body is HIGHLY objectionable.

C. HOOVES: Black in color.

## **III. STRUCTURE 25 POINTS**

Soundness is imperative in useful Cheviot sheep. Incorrectness decreases the animal's movement, growth, reproductive rate, longevity, usefulness and ultimate value. Additionally, structure and soundness

are highly inheritable traits. Cheviots should stand on large circumference of bone with adequate size to the foot. Structural soundness relates to the skeleton. Incorrectness in one part of the skeleton usually is connected to incorrectness in other parts of the skeleton. For example, usually post-legged animals are also too straight in their should angle.

## **AREAS OF STRUCTURAL CORRECTNESS**

FOREQUARTERS: Shoulder blades should be set in uniformly and smoothly to the rest of the body.

BACK: The back of Cheviot sheep should be straight as possible from the top of the shoulder to the dock. A slightly elevated shoulder in comparison to the hip is acceptable. Additionally, slight slope of the hip from the hook to the pin bones is acceptable.

FRONT FEET: Front View: Both feet should point forward and be perpendicular to the body with straightness from the chest floor to the toe.

SIDE VIEW: Feet should be straight from the chest floor through the knee to the pastern. The angle of the pastern should be approximately 45 degrees. Less of an angle allows for weak pasterns and more of an angle allows for extreme straightness.

REAR FEET: Side View: The back of the rear leg should be perpendicular to the pin bones of the hip. Less angle allows for post-legged individuals. More angle causes sheep to be sickle-hocked.

REAR VIEW: Legs should be square and perpendicular to the corners of the body with equal distance between legs at the hock and the toe.

MOVEMENT: Animals should maintain the proper correctness to the skeleton both while standing and moving. Many times structural defects are not evident until the animal moves about. It is then important to assess structural correctness both while the Cheviot is standing and moving.

For the beginner and veteran breeder alike, an excellent article on feet and leg soundness in sheep is "Feet and Legs" (North Central Regional Extension Publication #301) by Drs. Harold Henneman and Margaret Benson of Michigan State University.

## **IV. BODY 25 POINTS**

A. NECK: Moderately long, trim, and exhibiting extension, blending smoothly into shoulders, and contributing to an overall balanced appearance.

# OF EXCELLENCE

B. SHOULDERS: Smoothly laid in from neck to back. Tight at top of the shoulder, also smooth at the point of the shoulder.

C. CHEST, BRISKET, AND HEART GIRTH: Chest deep and moderately wide, but trim, with adequate capacity, and fitting smoothly into neck and shoulders. Brisket also trim. Heart girth full, broad and deep to promote longevity.

D. BACK (TOPLINE): Long and level, no weakness in front or behind the shoulder.

E. RIBS: Deep and well sprung with adequate cover. Essential for vigor and ease of fleshing.

F. LOIN: Long, wide, deep, and well covered.

G. HINDQUARTERS: Hip broader than shoulders. Rump wide, long and level out to the dock. Leg heavily muscled.

H. UNDERLINE: Level and as parallel to the topline as possible. Flanks deep and full.

I. FLEECE: Chalky white in color, uniform crimp with blunt ends; staple is definite. Covers the body completely from behind the poll and ears to slightly above the knees and hocks, including the belly.

Wool Grade:

3/8 to 1/4 blood combing  
(58s to 48s or 27 to 33 microns)

Weight of fleece:

Rams: 8 to 14 pounds

Ewes: 6 to 10 pounds

Fleece Characteristics can be highly objectionable but not disqualifying:

A. Black, brown or grey spots in the fleece

B. Hairy britch

C. Kemp throughout the fleece

D. Shiny fleece

J. TESTICLES (RAMS): Uniform and adequate size for age, and well descended from body. Free from any abnormalities. Scrotum free from any split.

K. TEATS (EWES): Two well placed teats of moderate length, free from any abnormalities.

## V. HIGHLY OBJECTIONABLE CHARACTERISTICS

1. Poor breed type
2. Scurs
3. Bare belly
4. High shoulders
5. Pink or white hooves
6. Nose not totally black
7. Sandy or brown hair on any part of the body

8. Split Scrotum

9. Fleece characteristics per paragraph IV (I)

## VI. DISQUALIFYING CHARACTERISTICS

1. Horns
2. Malformed mouth (overshot or undershot jaw)
3. Less than two testicles in rams
4. Less than two teats in ewes
5. Totally pink nose

## IMPLEMENTING NEW BREED STANDARDS

The new Cheviot Standards of Excellence were adopted at the 2004 annual meeting of the American Cheviot Sheep Society. The new Breed Standards are the result of more than two years of work by a committee formed in 2002. Through the process of updating the Cheviot Breed Standards, members presented many thoughts and proposals. These thoughts were debated until the final draft was approved by a vote of the members in November 2004. While probably not perfect, these Standards represent a significant step forward in the preservation of both the desirable carcass and the beautiful and distinctive Cheviot appearance. Now the important task of applying these Standards is up to all Cheviot breeders. Taking time to explain and demonstrate the preferred Cheviot characteristics to young 4-Hers and others who desire to be Cheviot breeders is critical. Another important task in assuring that these Standards are followed is to choose judges for national Cheviot competitions who will apply them in the show ring. To help the Board of Directors evaluate how an individual judge applies the breed Standards of Excellence, we ask you to fill out the critique form found on the back page of the Cheviot Journal. If you need extra copies of the critique form, please contact the ACSS office. It is very important for each member to do this so we can establish a judge's review to assist in the selection of judges for national shows who follow the Breed Standards.

The American Cheviot Sheep Society has taken a large step forward in guarding and maintaining the quality of our Cheviot breed. It is now up to each one of us to complete this task. Please fill out a judge critique form for each show you attend and follow the instructions for submitting the form. If you would like extra copies of the Cheviot Breed Standards of Excellence to share with judges in your area, please contact the ACSS office.

American Cheviot Sheep Society

# ANNUAL MEETING MINUTES

## **AMERICAN CHEVIOT SHEEP SOCIETY 122ND Annual Meeting June 11, 2021 – Springfield, Illinois**

Dan Spilde welcomed the 25 members and guests to the meeting. Bob Willerton provided the invocation.

After the meal, Dan Spilde called the meeting to order at 6:45pm.

Dan Strahl moved to approve the minutes of the 121st annual meeting. Sid DeVries seconded. Motion passed.

Bob Hunter moved to approve the financial report as presented. Dan Strahl seconded. Motion passed

Reports were given on junior association, All American Junior Show, and 2021 National Sale. Balloting was completed for 2022 National Sale judge. Billy Wade was first choice, John Mrozinski second choice and Gary Brockman was third choice.

There was discussion to have the annual meeting at the site of the sale rather than off site. Balloting was completed for 2022 National Sale judges. The three choices were in order Tor Sorenson, Steve Taylor, and Sam Wiford.

Director elections were held.

Sid DeVries moved and Bob Hunter seconded that Dan Spilde be re-elected in the central district, Chuck Orr be re-elected in the eastern district, and Sue Traglia be re-elected in the western district. Motion passed

Greg Farris and Dan Strahl were nominated for an at-large director position. Bob Hunter moved to close nominations. Sid DeVries seconded. Motion passed.

Dan Strahl was elected to the ACSS Board of Directors.

Judy Moore moved to adjourn the meeting seconded by David Clyde. Meeting was adjourned at 7:26pm.

Respectfully submitted by,  
Jeff Ebert

# BOARD MEETING MINUTES

## **American Cheviot Sheep Society Board of Directors Meeting June 11th – Illinois State Fairgrounds**

Dan Spilde called the meeting to order at 1:41pm. Board members present were Dan Spilde, Sue Traglia, Duane Glasshoff, Joan Lawrence, Speedy Fought, Sid DeVries and David Clyde. Jeff Ebert, executive secretary was also in attendance. Chuck Orr joined the meeting via phone.

David Clyde moved and Speedy Fought seconded to approve the November 2020 board meeting minutes. Motion passed.

Duane Glasshoff moved to approve the financial report as presented. Joan Lawrence seconded. Motion passed.

The National sale was discussed. No changes for the show and sale were suggested. It was decided to hold the annual meeting at the sale site in 2022.

The comeback show at the 2022 National Show was discussed. Speedy Fought moved that ½ of the funds collected be used for each of the next two year's comeback shows. David Clyde seconded. Motion passed.

It was decided that the 2022 National Cheviot Show would be at NAILE.

Spilde Cheviots tentatively offered to donate a ewe lamb for 2022.

The best headed trophies for NAILE were discussed. Sue Traglia will continue to work on them.

The nominating committee will present Dan Spilde, Sue Traglia, Chuck Orr and Dan Strahl as director candidates at the annual meeting.

The old registry records were discussed. It was agreed to let members take what they wanted and the rest would be discarded.

The bylaw committee discussed the disqualifying characteristics with the whole board. Speedy Fought moved and Sid DeVries seconded to table discussion until the November board meeting. Motion passed.

David Clyde moved to recess the meeting until after the annual meeting. Sid DeVries seconded. Motion passed. Meeting recessed at 2:33 pm.

Dan Spilde reconvened the board meeting after the annual meeting at 7:24pm. Dan Spilde, Dan Strahl, David Clyde, Sue Traglia, Kelly Copeland, Joan Lawrence, Speedy Fought, Duane Glasshoff and Sid DeVries were present. Jeff Ebert, executive secretary was also present.

The bylaw changes were again discussed and it was agreed to make no changes to the bylaws at this time.

After a short review of executive, Jeff Ebert a \$250 increase in pay was approved by the board.

Kelly Copeland moved to retain the current officers. Sid DeVries seconded. Motion passed.

Sid DeVries moved to adjourn the meeting. Joan Lawrence seconded. Meeting adjourned at 7:42pm.

Respectfully submitted by

Jeff Ebert

# BOARD MEETING MINUTES

## **American Cheviot Sheep Society Board of Directors Meeting November 14, 2021- NAILE Expo Center**

Dan Spilde called the meeting to order at 8:35am. Directors present included Dan Spilde, Speedy Fought, Joan Lawrence, Sue Traglia, Duane Glasshoff, Dan Strahl, Kelly Copeland, Mike Moenter, Sid DeVries and David Clyde. Jeff Ebert, executive secretary was also present. Marci Neu was present as a guest.

Dan Strahl moved to approve the minutes and Speedy Fought seconded the motion. Motion passed.

Sid DeVries moved to approve the financial report and Duane Glasshoff seconded the motion. Motion passed.

2022 National Sale will be in Joliet, Illinois. The Illinois State Fairgrounds were unavailable. Report given by Jeff Ebert on the All-American Junior Show.

2021 NAILE- discussed the matching fee collection process and the issue with the show delaying hiring judges.

2022 NAILE - discussed Sire of the Year award as an annual award.

2023 National Show will be held at Louisville.

Cheviot Journal was discussed and February 15th will be ad deadline.

Joan Lawrence moved that the rush fee be increased to \$15 per transaction. Speedy Fought seconded the motion. The motion was passed.

The best headed plaques are completed and will be awarded at the show.

It was decided to offer the online sale as an opportunity for ACSS members again in 2022.

Dan Strahl moved to award the \$500 scholarship to Sydney Petersen. Joan Lawrence seconded the motion. The motion was passed.

Sid moved to adjourn the meeting. Sue seconded the motion. The meeting was adjourned.

Respectfully submitted by,

Jeff Ebert

# ALB Elects Leadership at Annual Meeting

The American Lamb Board (ALB) elected FY2022 leadership at its meeting Jan. 19, held ahead of the American Sheep Industry Association (ASI) convention. The newly-elected chair is Peter Camino, WY. Vice chair is Jeff Ebert, KS; Sally Scholle, PA, will serve as secretary and treasurer is Don Hawk, OH.

The additional board members are Andrew Allman, CO; Travis Anderson, OR; Carlos Barba, IL; Mike Duff, ID; David Fisher, TX; Dave McEwen, MT; Jimmy Parker, AL; Stephen Schreier, MN; and Gary Visintainer, CO.

The Board represents all sectors of the American Lamb industry including producers, feeders, seedstock producers and processors. The 13-member Board, appointed by the Secretary of Agriculture, serves without compensation. Members are nominated by qualified organizations, including ASI and National Lamb Feeders Association.

ALB conducts promotion and research programs with the goal of creating greater demand and profitability for the entire industry. ALB does not promote imported lamb. It does not promote wool.

ALB is not funded by dues and is forbidden by law to influence legislation. It exists to promote lamb to consumers and provide information to help producers raise lamb more efficiently and effectively.

The American Lamb Board (ALB) is an industry-funded national research, promotion and information checkoff program that works on behalf of all American producers, feeders, seedstock producers, direct marketers and processors to build awareness and demand for American Lamb. One of its long-term goals is to collaborate and communicate with industry partners and stakeholders to expand efforts to grow, promote, improve and support American Lamb.

# ALB Releases Annual Report

"It's been three years since our rebranding, and the American Lamb Checkoff lit a fire with consumers this past year," said 2021 American Lamb Board Past Chair Gwendolyn Kitzan in the board's just released Fiscal Year 2021 Annual Report. "What could have been months of downturn for our industry has sparked some of the best sales increases we've seen."

The 2021 American Lamb Board Annual Report is available at [LambResourceCenter.com](http://LambResourceCenter.com).

In 2021 – as in 2020 – ALB responded to the changes brought about in the American sheep industry by the COVID-19 pandemic and other situations with strategic action, seizing new opportunities to expand lamb's place in the U.S. diet and economy. In Fiscal Year 2021 – Oct. 1, 2020 to Sept. 30, 2021 – ALB had a total budget of \$1.6 million, allocated as follows: \$995,040 for promotion, \$236,365 for communications, \$106,098 for research, \$132,640 for U.S. Department of Agriculture oversight and \$132,009 for administration.

Promotions continued to be a primary part of ALB's work during the past year. As confined consumers turned to their outside grills, so did ALB. Its Food Blogger Network was expanded to include outdoor cooking experts for a total of 24 paid partnerships with a social media reach of 6.9 million, who contributed 34 new American lamb recipes with photos and videos. Total media reach hit 20 billion impressions and 4,400 lamb articles. Consumer media gave considerable coverage to the ALB Outdoor Cooking Poll, which kicked off a series of seasonal social media promotions. ALB's new take on Lamb Lover's Month and holiday cooking rounded out seasonal promotions.

Virtual events also hit the spot to take the place of traditional face-to-face activities. Outdoor cooking workshops, an American Culinary Federation butchery demo and Homemade Consumer Cooking Classes were immensely popular. Taziki's Mediterranean Café add a heavily promoted American Lamb Burger to its menu, and Lebanese Taverna rolled out a holiday takeout pack at its Washington, D.C.-area restaurants.

In 2021, ALB partnered with Premier 1 Supplies to sponsor a video series on lamb quality for sheep producers. Produced by the North Dakota State University Extension Service, the series is available at [LambResourceCenter.com](http://LambResourceCenter.com). ALB also provided promotional tools to help the industry reach consumers with American lamb's message and assisted local lamb groups in reaching out through its Lamb Promotional Partnership Program. And ALB made plans to sponsor the American Lamb Summit, scheduled for Aug. 8-11.

Providing the latest information requires an investment in research. ALB is in the midst of a multi-phase flavor profiling project with Texas Tech and Colorado State universities. Phase III found Rapid Evaporative Ionization Mass Spectrometry is accurate in predicting flavor attributes that correlate with consumer sensory panel testing. The knowledge will enable classifying lamb into flavor profiles to market lamb more successfully to consumers with differing preferences.

Meanwhile, a new multi-year study at Michigan State University is identifying lamb's environmental footprint to provide accurate data and opportunities for industry improvements.

# CHEVIOT EWE FUTURITY

## **Cheviot Ewe Futurity**

The American Cheviot Sheep Society will again sponsor the Cheviot Futurity open to all Junior Exhibitors. A "Junior Exhibitor" is defined as an exhibitor who is not older than 21 on the date of the Junior Cheviot Show at NAILE. There is no lower age limit, but the Junior must be physically capable of showing their own sheep (exception made for physical or other handicap). Each Junior may purchase more than one animal, but only one animal placing in the top eight will be awarded to the top placings.

Consignors will nominate animals at specified sales and only these animals will be eligible for the Futurity. All animals must be purchased at a designated sale. Most consignment and private on-line sales offer Futurity nominated animals.

## **Consignor Rules:**

1. Entries include Spring Ewe Lambs born Jan. 1, 2022 or later and Fall Ewe Lambs born Sept. 1, 2021. Yearling Ewes that were previously nominated in 2021 as lambs can be re-nominated by the Juniors for \$25.
2. Nominating fee of \$25 is payable to the American Cheviot Sheep Society. Animals must be nominated and designated prior to entering the show ring of a designated sale. Futurity animals must be sold at the auction of a designated sale and not be pre-sold.
3. Animals must have Scrapie Identification in their ear prior to being sold.

## **Exhibitor Rules:**

1. Age limitations for Junior Exhibitors: to be eligible to compete in the Futurity, an exhibitor must not be over 21 years of age on the date of the Junior Cheviot Show at NAILE.
2. Junior Members must be physically able to show their Futurity animal to qualify for points at each show (exception made for physical or other handicap). If an exhibitor has more than one Futurity animal in a class, the owning junior must show one and another exhibitor must show the second animal.

3. Futurity animals are to be registered in the individual Juniors name only. No partnerships, farm, family, 4-H Club or FFA Chapter names are acceptable.

4. Animals and points earned in the Futurity are not transferable to any other person; nor are the points transferable from one animal to another.

5. Any Futurity entrant may compete with as many animals as desired, but will receive a premium for the one animal with the highest point total, in each division.

6. Animals must be shown in proper age classes.

7. Premium: The American Cheviot Sheep Society has donated \$800 to start the Futurity Premium. A percentage of this money will be awarded to each division based on the number of animals nominated. The nominating fee will stay within the designated division of the Futurity. Division 1 – Spring Ewe Lambs, Division 2 – Fall Ewe Lambs, Division 3 – Yearling Ewes.

8. The top eight places will be paid in each division.

9. A point card must be filled out for each show and forwarded to the American Cheviot Sheep Society office by November 1, 2022. The card must be signed by the Superintendent of the show certifying that the Junior exhibited the animal, class size and the placing of the animal.

10. For points-earned purposes, all shows are considered equal; i.e. AOB, Junior, Open, State and County receive equal point value in figuring points. Only the Junior Show at NAILE will be included.

11. Futurity animals may compete at any number of shows, but only the top five point-award shows will be included in determining awards.

12. Futurity Awards will be announced at NAILE.

13. The sliding scale shown in the chart indicates how points will be determined.

# CHEVIOT EWE FUTURITY PROGRAM

## ACSS Futurity Program

### What is it?

A point system for youth to participate in and receive monetary prizes from the American Cheviot Sheep Society

- Over \$1,200 is awarded annually
- Ewe lambs entered into the futurity must be purchased from a Cheviot Breeder
- Lambs nominated for futurity may receive points at any show, including both open and junior divisions
- A point sheet must be filled out for every show and be turned in by Nov 1 of the current year.
- Point forms can be found on [www.cheviots.org](http://www.cheviots.org)

The program provides incentive to youth to show their lambs, as well as, recognition to producers for raising high quality lambs

### How do I nominate a ewe lamb for futurity?

- \$25 entry fee per lamb
- Must fill out nomination form found at [www.cheviots.org](http://www.cheviots.org)
- Lambs can be nominated through online sales and any public auction managed by Heartland Group, Banner Sale Mgmt., or any other recognized sale management
- Yearling Ewes can be re-nominated by the Junior. Must be done by June 1<sup>st</sup> of the current year

### Who can participate in the ACSS Futurity?

- Any junior who is under 21 years of age and has paid the current year's membership dues (\$10)
- The nominated lamb must be in the junior's name as of Sept 1 of the current year
- Only one junior can submit points forms for a specific sheep
- One junior can have multiple lambs in the futurity; however, the junior will only receive premiums for one lamb per category

### How the Points are Scored:

#### Placing in Class

# in Class	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26
1 to 5	5	4	3	2	1																					
6 to 10	10	9	8	7	6	5	4	3	2	1																
11 to 15	15	14	13	12	11	10	9	8	7	6	5	4	3	2	1

# SCHOLARSHIP WINNERS FEATURE SYDNEY PETERSEN

## **How has the sheep industry, more specifically Cheviots, taught you responsibility in all aspects of your life?**

My involvement in the sheep industry has taught me what it means to have responsibilities that need to be taken care of every day. No matter what I choose to do with my life, I am going to have things that need to be done on a daily basis and through raising and showing sheep, I have learned what it is like to have chores that need to be done every single day. I have to feed and care for my sheep every morning and night, no matter the weather or other plans I have going on.

This has taught me how to be able to manage my time with my different involvements to ensure I have time to complete everything to my best ability Cheviots, as we all know, can be a very energetic and high-strung breed that requires a lot of patience. My times with Cheviots has taught me how to keep my cool and how to avoid getting frustrated when things don't always go right. Life is going to be full of ups and downs and I believe that my time within the sheep industry has been prepared me to know how to handle any obstacle life may throw at me.

During lambing season, not every delivery goes exactly quick on my feet and how to find different solutions for the problems I face. I believe that by raising and showing Cheviots, I have been prepared with many different life skills that I am going to be able to use on daily basis in my future life to make me a more responsible and hardworking person.

## Online Ewe Sale Entry Form-April 19th

### Hosted by [www.integritylivestocksales.com](http://www.integritylivestocksales.com)

#### Sale Rules:

- This sale is an online event sponsored by the ACSS. The sale will be hosted by [integritylivestocksales.com](http://integritylivestocksales.com) and will be held on April 19th.
- No entry fee will be charged on your first entry.
- Second through fifth entry from the same consignor will be charged an entry fee of \$10/head.
- Entries over five head from the same consignor will be charged an entry fee of \$25/head.
- 10% of the final selling price will be charged on all animals receiving a bid.
- You must be a 2022 paid member of the American Cheviot Sheep Society to enter ewes in this online sale.
- The sale is open to registered Cheviot ewes up to four years of age.
- **April 11th is the deadline for entries.**
- An application for registration with appropriate fees or registration certificate must be provided by April 11, 2022.
- High quality pictures that show at least a side view and rear view are recommended and these must be provided by April 11th. Videos and other pictures are welcome. Ideally these would be emailed to [asregistry@gmail.com](mailto:asregistry@gmail.com).

**LOCATION:** Weitendorf Agriculture Education Center 17840 Laraway Road, Joliet Illinois. All sale sheep will be housed in this facility.

**NOTE NEW LOCATION FOR 2022!!!!!!!!!!!!!!**

**SHOW: Friday, June 10th, beginning at 8:00 a.m. CDT, with John Mrozinski as Judge.**

**SALE: Saturday, June 11th, beginning at 9:00 a.m. CDT, with Billy MacCauley as Auctioneer.**

- **ENTRY DEADLINE – APRIL 25th:** Please, be on time! We want to have the catalog out in good time to prospective buyers and we simply can't wait for late entries. Email entries will be accepted. Emailed and faxed entries will not be cataloged until entry fees are received.
- **ENTRY FEES –** Entry fees are \$25/head payable at time of entry. Entry fees are non-refundable on any sheep that are sifted or otherwise fail to make the sale. Please use the enclosed entry form. If you need additional room, simply photocopy the form or provide the information on a blank sheet of paper. Information Sale Day will be accepted, but you should make every attempt to provide pedigree information to the prospective buyers. **Remember the April 25<sup>th</sup> deadline, and please be on time!!!**
- **LATE ENTRIES:** For all entries received after the deadline date and before the catalog is printed, we will make every effort to include these in the catalog. All entries that are received after the catalog is printed will be charged a late entry fee of \$50 per head. A consignor who has entries in the catalog and then later adds additional entries will be assessed the normal \$25 per head entry fee.

**CATALOG:** A sale catalog will be sent out a month prior to the sale to all Cheviot members and past buyers and bidders. The entire sale catalog will also be listed on the Cheviot website [www.cheviots.org](http://www.cheviots.org).

### **CLASSES:**

Yearling Rams & Ewes, inc. Slick Shorn Yearling Ewes (born 9-1-20 to 8-31-21)  
Fall Ram & Ewe Lambs (born 9-1-21 to 12-31-21)  
January Ram & Ewe Lambs (born 1-1-22 to 1-31-22)  
February Ram & Ewe Lambs (born 2-1-22 and 2-28-22)  
March Ram & Ewe Lambs (born 3-1-22 and after)  
Slick Shorn Ewe Lambs (born 9-1-21 and after)

**NOTE: BEST HEADED –** The Best Headed animal from each class will be selected by the Judge and a committee. The Overall Best Headed Ram & Ewe will be designated on the sale order.

**READ THIS:** A Consignor may consign a single ram, but for the second ram, two ewes must also be consigned and then at least one ewe per ram after that. Therefore, if a consignor enters multiple rams, they must have at least the same number of ewes consigned. A consignor may enter as many ewes as they wish.

**SCRAPIE IDENTIFICATION:** All entries must carry Scrapie ID. You will need to have Scrapie ID on your Health Papers. The State of Illinois now requires out-of-state consignors to obtain an entry permit no more than 72 hours before entering Illinois. The permit may be obtained by calling the Illinois Dept. of Ag. (217-782-4944). More information on health papers and regulations will be sent to all consignors.

**MINIMUM BID:** There will be a minimum bid of **\$300** on all Yearling Ewes and Rams. All other entries will have a minimum bid of **\$250**.

**SALE HEADQUARTERS:** The Fairfield Inn by Marriott Joliet South, 1501 Riverboat Center Drive is the sale headquarters. Call 815-741-3499 and specify you are with the **Cheviot Sheep Sale**. Call early for reservations! The deadline date for rooms is June 1st.

**SILENT AUCTION & HOSPITALITY:** The Junior Cheviot Fund will host a silent auction during the weekend, please plan to bring items for this benefit auction.

**PLEASE SEND ALL ENTRIES BY APRIL 25<sup>th</sup> & MAKE FEES PAYABLE TO:**

**American Cheviot Sheep Society**

**MAIL TO: Jeff Ebert PO Box 231 Wamego, KS 66547**

# DIAMOND C FARM

This 2021 show season has been one for the books! We feel truly blessed to have been able to travel and present this show flock.

We started off at AAJS bringing home Champion Ewe with Diamond C 0522 "Guinevere" and took that win all the way to Kentucky for NAILE with both Junior and Open show Champion

## DIAMOND C FARM:

David, Melissa, Paige and Cheyenne Clyde
