

Quarterly Newsletter – October 2012

Junior Members,

I can not believe that fall is almost over and NAILE is quickly approaching! I hope that everyone has been having a very successful and fun show season so far. Since our last newsletter there have been a few updates that I wanted to share with everyone. As most of you know by now we are still selling the Cheviot calendars to support the junior fund. The calendars are for 2013. We still need to concentrate on selling those. Thank you to everyone who has purchased a calendar, and those youth members that have been working hard to sell them. Remember to direct people to the cheviot.org website for ordering information.

Our first official meeting of the junior association was in Springfield, IL this June. We had a great turn out! Thank you to all that attending our meeting. You all were very enthusiastic about getting the junior association back up and running and had some great ideas for future activities. On the following page is a list of all those that sponsored the Donated Ewe Lamb and silent auction. Please thank those people as you see them. The proceeds of these events are a big help to our junior activities throughout the year.

A few weeks after the National Show and Sale there was also a meeting at the All American Junior Show. Thank you to Jeff Ebert and Jo Bernard for coordinating that meeting. If any of our junior members see those two people please thank them for all their support and hard work. I am compiling a list of ideas and activities that were brought up at these meetings to be discussed and revisited at the Louisville meeting.

The final details for the 2014 calendar fundraiser are listed in this newsletter. 2014's calendar will be different than the calendar we are currently selling. We are planning a photo contest between now and November 5th. All photos will need to be submitted to me by November 5, 2012. We will be having two categories: one for junior members and one for adult members. We will split the calendar 50/50 having six months be junior photos and six months of adult photos. The six junior photos that are selected will be placed in the calendar free of charge. They will have the youth members name below the photo as well. The six adult photos that are chosen will be asked to submit a donation fee of \$25. Please see the following pages for the rules of each category. Photos will be chosen by a panel of members at NAILE.

Our junior meeting will be held in Louisville with the NAILE show on November 10 around 5:00pm. Please see the message below for information about this meeting. I hope to see everyone there.

Until next time, have a safe and happy rest of your fall. If you would like to receive junior association emails please email me with your updated address and I will add you to our list serve.
