

## Newsletter – May 2013

Junior Members,

I hope that everyone had a great lambing season, and has many show and breeding prospects on the ground. I know this is always a very busy time of year for everyone so I wanted to point out some important upcoming and past events since our last newsletter.

We decided to do the calendar fundraiser again this year. Thank you to Paige and Cheyenne Clyde for already selling half of our calendars at the Ohio Showcase sale!!!! We had great support from many people who not only bought one calendar, but multiples. We still have calendars to sell and it should be a goal for our association to sell them all this year. This year's calendar features pictures from both breeders and junior members.

Our second official meeting of the junior association was in Louisville, KY at NAILE this past November. We had a record setting attendance with fifteen juniors present! Thank you to all that attending our meeting. You all were very enthusiastic about getting the junior association back up and running and had some great ideas for future activities. A special thanks to Jo Bernard for donating some of the pizza dinner. Our new Secretary, Rachael Wolters has compiled the minutes from our meeting and they are attached in this newsletter. Our newly elected officers are listed in the newsletter.

We will be having our annual National Show and Sale junior meeting in Springfield on Friday June 21st. The meeting will be after the show. Please make plans to attend if you are going to be at the show and sale. There will also be another meeting held during the All American Junior Show. Stay attentive to an email with detail regarding this meeting.

I hope to see many returning and new faces to our Springfield meeting in a few weeks! It should be noted that our account is once again in great standing. Please bring ideas to the Springfield meeting of activities, awards, promotions, etc. that you all would like to see our association either start or participate in. If you are unable to attend the meeting in Springfield please email or call me with your ideas and I can forward them on to the rest of the group. If you would like to receive junior association emails please email me with your updated address and I will add you to our list serve.

- Ashley
