**TJA 10048**

Born: 3-3-10  
Sire: TJA 8040 5525U  
Dam: TJA 0217 9194I  
If we didn't have three stud rams at home bred so similar to him, he would not be for sale. We won't be giving him away. Here is your chance to get one of our very best. He's tall, but also very deep, thick and correct. At 13 months of age he already weighed 230 lbs and he's not fat. His sire is a Super Freak son out of one of our best producing ewes. She is sired by our original Kuykendall Ram (Meca's twin) that was Reserve Champion and Best Headed at the 2004 National Sale. Her dam is the Wilt Ewe that was Champion at the 2004 NAILE. The dam of 10048 is one of our oldest producing ewes (they don't stay around for 10 years if they don't produce). She is sired by Sparkey and out of a Willerton ewe sired by Big Dawg. A true combination of genetics and eye appeal. He's a stud buck. RR at Codon 171.

Here is a real young yearling ewe. She is very stylish and flashy. Great design, lots of gas left in her tank to keep growing. She will be a big ewe. She has a real thick top and nice hip. Her sire was the big, thick yearling ram we showed in 2010 that was Champion at Ohio and Indiana and Reserve at the Big E. He was sired by Super Freaky and a Lawter ewe out of Super Ram. The dam of 10059 is one of our largest ewes sired by a Kuykendall ram that is a full brother to Meca and out of a Lawter ewe. RR at Codon 171.

**9- Yearling Ewe**

**12- Intermediate Ewe Lamb**
