Dear Sheep Breeders,

The American Cheviot Sheep Society is excited to welcome the NABSSAR National Sale and the National North Country Cheviot Sale to Springfield, Illinois in 2026. We are also excited to host the first annual Timeless Tradition All Breeds Sheep Sale in Springfield. Springfield, Illinois at one time hosted many sales over the years and the ACSS was challenged since last year as potentially the only breed remaining in Springfield. We have worked hard to attract new breeds and breeders to Springfield and we are very excited for the opportunity to host each of our consignors and potential bidders and buyers.

Thank you to each consignor for stepping up and helping make this sale a success. Please know the ACSS board of directors are very appreciative of your efforts in helping us bring sheep sales back to Springfield.

Sincerely,
Jeff Ebert
ACSS Executive Secretary

Dear American Cheviot Society Member,

This letter serves as the call to meet for the 2026 American Cheviot Sheep Society annual meeting.

The annual meeting of the American Cheviot Sheep Society, Inc. is hereby called to meet at the Illinois State Fairgrounds, Springfield, Illinois on Friday, June 6, 2025 at 6:00 PM. The exact location will be announced at the show on Friday morning.

The purpose of the annual meeting of the ACSS will be to elect directors whose terms expire in 2026 and to transact business that comes before the organization. Directors whose terms expire in 2026 are: David Clyde, Eastern District, Duane Glasshoff, Western District, Sidney DeVries, Central District and Laurie Majchrzak At Large. Please contact the ACSS office at 785-458-9174 if you are interested in running for one of these board positions.

We will have a silent auction to raise funds for the Cheviot Junior fund during the National show so if you would like to provide items for this event, please bring them to Springfield with you or mail them to me if you are unable to attend. The auction will be set up during the National show on Friday morning at 9:00 AM. Please refer to the enclosed sale catalog for further information on the show and sale.

I look forward to seeing many of you in Springfield for the Cheviot show, annual meeting, and sale.

Sincerely,
Jeff Ebert
Executive Secretary
American Cheviot Sheep Society

One of the better rams we have sold in several years. We will have exposed a handful of ewes to this ram for falls before we bring him to the sale. Paton Pending is Crown Royal on

Paula ewe. This ram was champion last year at All American Jr Show, Youth Expo, Illinois State Fair Jr Show, Illinois State Fair Open Show, Kentucky State Fair and NAILE Jr Show. He was also pulled out for top five Supreme at the All-American, Youth Expo and Illinois State Fair Jr Show. 2780 is really complete buck that is good on his feet and legs, has good depth of body, really big hipped and has good breed type.

2813 is out of Landman the National Champion Sale Ram from the last year. 2813 is ram that has a lot of extension, really cool from the side and very wide base. I believe this ram has a bright future and can be a stud buck.

Rincker 2814**

Born: 9/26/25
Sire: "Rumble" Rincker 2733 11374U
Dam: Breezeview 3655 17939J
Rincker 2814 is out of the 2024 National Champion Ram the Spilde and Eldridge family bought half interest in. Breezview 3655 is out of American Pharaoh and she had a really good show career a handful of years ago. 2814 is a really growthy ram that has some extra length of side, some rib shape and a ram that should be very large.

**Lot 34- Yearling Ewe
Rincker 2772**

Born: 9/20/24
Sire: Paton Pending 30 11065
Dam: Rincker 0731 20477J
This one will hurt to sell. One of the best made females we have ever made. She has power, depth of body, big legged, huge top and very beautiful headed female. Her dam is Tina that has made some of our best sheep the last few years. Rincker 2772 twin brother was the \$2800 fall buck we sold last year in the National Sale to Misty Acres. It would be better to

show her rather than against her.

**Lot 35- Yearling Ewe
Rincker 2795**

Born: 3/2/25
Sire: Rincker/Strahl 2557 10596U
Dam: Devries 520 19780J
2795 is an Iceman daughter and out of a very good Devries ewe we got couple years ago. Very solid ewe that has really dark points and hair coat.

**Lot 36- Fall Ewe Lamb
Rincker 2812**

Born: 9/24/25
Sire: "Rumble" Rincker 2733 11374U
Dam: Rincker 713 20980J
Rumble has done a very good job for us and for the Spilde Family. 2812 could be fitted or sheared if you're going to show her. Most Cheviot breeders know that I focus a lot on hips and tail sets. One of the bigger hipped cheviot females I have seen in a while. If you are looking to make some sheared sheep for market lambs this one is for you. Futurity nominated.

**Lot 37- Fall Ewe Lamb
Rincker 2816**

Born: 9/27/25
Sire: "Landman" Rincker 11375U
Dam: Moore 232 19543J
Show ewe alert here. 2816 will have the size and build to compete at all the shows this year. Could very well be our best ewe lamb on the farm if you're looking for a show ewe. Moore 232 seems to never miss. Judy's ewes seem to work well on Rincker rams. Futurity nominated.

A Sunny Hill Farm born and raised, with a pedigree stacked in Diamond C, Black Acres, and Spilde genetics.

Where proven bloodlines meet a program committed to producing stock that delivers, this stout-made, thick-boned ram exemplifies the true Cheviot breed character.

Structurally sound with a bold look, sharp headset, and striking color, he is a high-performance flock sire prospect with the kind of quality we are proud to stand behind – the kind we would keep, but one that can make a big impact on someone else's flock.

Dam: SCD 6430 160537

Average Joe continues to follow in his sire's footsteps in producing good sheep, no matter what he is bred too. This painted up ram is one of the fastest growing rams in this pen and is going to keep getting better! His dam is a 7 year old female who is super maternal and has produced several keeper lambs over the past couple of years. Quality and color all wrapped up in a great package.

Lot 165 – Fall Ewe Lamb FRA 9104 / B29

Born: 10/23/25 TW

Sire: FRA 7766 "Slim Shady" 197219

Dam: BMS 2189 201327

One of the first Slim Shady daughters we have offered! Slim was shown by us for 2 years and was in the Top 5 both years at Louisville! If you want a show ewe that's going to mature with some size, then this is your gal. While she may not have gotten the paint job that her sister did, they are pretty much identical in terms of their look and build. Her painted

up sister will be in our Midwest Stud Ram Sale Consignment the following week! Super feminine, tall fronted and solid in motion!

Lot 166 – Fall Ewe Lamb FRA 9126

Born: 11/7/25 TW

Sire: FRA 7322 "Tippin Point" 185547

Dam: CAF 2340 197490

Tippin Point offspring are highly sought after and it's easy to see why. He sires the most consistent lamb crop across any of our sires. It's easy to walk into a pen and point out the TP sons and daughters. This painted up ewe is super attractive, stout made female who'd be a good addition to your show string or flock.

Lot 167 – January Ewe Lamb FRA 9137

Born: 1/15/26 S

Sire: SRS 696 "Crazy Train" 196524

Dam: RSB 5031 215291

We didn't get very many lambs out of Crazy Train last this spring, but this speckle nose ewe lamb is a great example of what he produces. Dammed by a black and white Smith ewe, I expect this one to be the big yearling of the group. She's the tallest fronted, most extended of the January group. Super level in her topline and athletic on the move. Take her home and just let her group to be your lead yearling ewe for the show string next year.

Lot 168 – January Ewe Lamb FRA 9139

Born: 1/8/26 TW

Sire: FRA 5667 "Social Distance"
160439

Dam: DGL 8288 160276

A Social Distance daughter out of a DGL ewe who is getting up there in age. Attractive, big bodied, sound footed female who is built for the brood ewe flock just like her momma. I project this one to be a little more moderate in terms of her mature frame size, but if she's anything like her momma, she will raise you plenty of lambs and milk like a cow! The easy doing, take home kind here.
